Name & address of your most recent electric and water supplier: _____

The City of Creighton is hereby requested by the undersigned customer to provide utility service at the location indicated above and to furnish, own, and maintain metering equipment located on the premises. As a condition to such service, I/we agree to the following conditions:

1. All private service lines, piping, appurtenant facilities and equipment (excluding metering equipment) located on or within the premises, shall be owned, maintained, and controlled by the customer and/or the premises owner in accordance with the Municipal Code of the City of Creighton. Except as otherwise required by law, the City does not undertake or assume the obligation for the inspection, testing, maintenance or repair of equipment or facilities not owned by the City of Creighton.
2. The customer/customers agree to pay for the utility service at the City of Creighton's established rates, as amended and changed from time to time, plus all sales tax and late penalty charges. The City of Creighton may require a utility deposit as outlined in Municipal Code of the City of Creighton to secure payment of such sums as may become due or delinquent.
3. The customer/customers agree that the City will have the right of access to the customer's premises at reasonable times for the purpose of installing, reading, inspecting, testing, maintaining, or repairing metering equipment, or for the purpose of removing its property, and for all other proper and lawful purposes.

4. The City shall not be liable for damages due to interruptions in service, and the customer shall hold the City harmless from any and all claims or liability for damages or injury to persons or property which may arise out of or caused by the construction, maintenance, use, or operation of service lines, piping, facilities, equipment, or appliances which are located on the premises.
5. The customer shall properly protect the City's property located on the premises.
6. The customer shall be responsible for any damage to the metering equipment caused by vandalism or freezing.
7. The customer shall not remove or tamper with the City's metering equipment under any circumstances, unless authorized in writing by the City to do so.
8. The customer shall provide a minimum of 48 hours advance written notice to the City when the customer desires to discontinue utility service. In the event the customer moves to a different location, an application must be made for service at the new location. The customer will be held liable for all service at the vacated location until such time as the customer has given the City the required 48 hour advance written notice requesting that the service be discontinued.
9. This application pertains solely to one water, sewer, and garbage service at the premises. Separate applications will be required for other services or locations.
